

Moody's Asset-Backed Securities (ABS) Research

Success in the ABS market is closely tied to access to timely and accurate deal analysis and up-to-date performance information. Moody's Asset-Backed Securities Research is the single, comprehensive source for global credit ratings, research and performance data in the asset-backed securities market.

Key Features:

- » Deal-specific research related to the 2,100 ABS deals Moody's rates and monitors globally.
- » Comprehensive research offerings including timely, deal-specific insight and informed market commentary, in addition to downloadable monthly performance data and indices.
- » Special reports on asset classes, year-in-review series, financial guarantor research, rating methodologies and various newsletters on different sectors.

Key Benefits:

- » Exclusive access to a team of over 70 ABS analysts worldwide.
- » Insight into aggregate performance indicators of different ABS markets.
- » Priority invitations to Moody's structured finance conference and events program.

FEATURED PUBLICATIONS:

Structured Finance Quick Check

Moody's weekly overview of all things related to the global structured finance market. The report includes up-to-date qualitative commentary on market events and regular features such as new structured finance research and recent rating changes and statistics. One-year rating transition tables, updated methodology reports, coverage of legal challenges to the market, collateral performance reports, and updates on the regulatory and accounting environment round out the publication's offerings.

Auto Navigator

A semimonthly newsletter that provides a comprehensive, cross-sector look at the auto ABS market, including auto loans, leases, floor plans, trucks and rental cars. The report combines auto ABS performance statistics, macroeconomic commentary and key statistics from Moody's Economy.com, as well as updates on auto finance companies, manufacturers and dealers from Moody's Financial Institutions and Corporate Finance groups.

Credit Card Statement

A regular, cross-sector newsletter combining credit card ABS performance statistics, macroeconomic commentary on consumer credit from Moody's Economy.com and updates on lenders and retailers from Moody's Financial Institutions and Corporate Finance groups. The report also covers regulatory issues and rating actions impacting credit cards.
