### 1. MSCI LICENSED INFORMATION.

Information contains third party materials ("Licensed Material") provided by MSCI Inc ("MSCI").

### 2. WARRANTY DISCLAIMER AND LIABILITY.

THE LICENSED MATERIALS ARE PROVIDED TO CLIENT ON AN "AS IS" BASIS. MOODY'S, ITS INFORMATION PROVIDERS, AND ANY OTHER THIRD PARTY INVOLVED IN OR RELATED TO THE MAKING OR COMPILING OF THE LICENSED MATERIALS MAKE NO REPRESENTATION OR WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED MATERIALS (OR THE RESULTS TO BE OBTAINED BY THE USE THEREOF). MOODY'S, ITS INFORMATION PROVIDERS AND ANY OTHER THIRD PARTY INVOLVED IN OR RELATED TO THE MAKING OR COMPILING OF THE LICENSED MATERIALS EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES OF ORIGINALITY, ACCURACY, COMPLETENESS, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE.

CLIENT ASSUMES THE ENTIRE RISK OF ANY USE CLIENT MAY MAKE OF THE LICENSED MATERIALS. IN NO EVENT SHALL MOODY'S INFORMATION PROVIDERS OR ANY THIRD PARTY INVOLVED IN OR RELATED TO THE MAKING OR COMPILING OF THE LICENSED MATERIALS, BE LIABLE TO THE CLIENT, OR ANY OTHER THIRD PARTY, FOR ANY DIRECT OR INDIRECT DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY LOST PROFITS, LOST SAVINGS OR OTHER

INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE AGREEMENT OR THE INABILITY OF THE CLIENT TO USE THE CONTENT, REGARDLESS OF THE FORM OF ACTION, EVEN IF MOODY'S, ANY OF ITS INFORMATION PROVIDERS, OR ANY OTHER THIRD PARTY INVOLVED IN OR RELATED TO THE MAKING OR COMPILING OF THE LICENSED MATERIALS HAS BEEN ADVISED OF OR OTHERWISE MIGHT HAVE ANTICIPATED THE POSSIBILITY OF SUCH DAMAGES.

### 3. ACCESS

Client's access and use of the Licensed Material contained in the Information shall be subject to the Agreement and the following:

- a. The Licensed Materials are solely for the Client's internal purposes and may not be redistributed in any form or manner to any unlicensed affiliate or any third party except as permitted in Section 5 herein.
- b. Client may not use or permit anyone else to use the Licensed Materials in connection with the creating, managing, advising, writing, trading, marketing or promotion of any securities or financial instruments or products, including, but not limited to, funds, synthetic or derivative securities (e.g., options, warrants, swaps, and futures), whether listed on an exchange or traded over the counter or on a private-placement basis or otherwise or to create any indices (custom or otherwise).
- c. Client must acknowledge the existence of trade secret, copyright, trademark, patent or other intellectual property or proprietary rights in or to the Licensed Materials.
- d. Client may not (i) copy any component of the Licensed Materials, (ii) alter, modify or adapt any component of the Licensed Materials, including, but not limited to, reverse engineering or creating derivative works except as provided in Section 4 herein, or (iii) make any component of the Licensed Materials available to any other person or organization.
- e. Client shall acknowledge that it assumes the entire risk of using the Licensed Materials and shall agree to hold the owner and source of the Licensed Materials from any claims that may arise in connection with its use of the Licensed Materials.
- f. Client shall acknowledge that its right to receive and/or use the Licensed Materials may be terminated at any time.
- g. MSCI shall be a third-party beneficiary of the Agreement and shall be entitled to enforce all provisions of such agreement relating to MSCI's rights in and to the Licensed Materials.
- h. Client agrees to indemnify and hold harmless Moody's, its information providers, and any other third party involved in or related to the making or compiling of the Licensed Materials, their affiliates and subsidiaries and their respective directors, officers, employees and agents from and against any claims, losses, damages, liabilities, costs and expenses, including reasonable attorneys' fees and costs, as incurred, arising in any manner out of the Client's or any third party's use of, or inability to use, the Licensed Materials or any breach by the customer of any provision contained in the Agreement.
- i. The MSCI Licensed Materials Terms and Conditions shall prevail in the event of a conflict between the Agreement or Order Form and the terms set forth herein.

### 4. CREATION AND USE OF APPROVED DERIVED METRICS

Client may use applicable Licensed Materials to create derived indicators or metrics ("Approved Derived Metrics"), subject to the following conditions:

- a. **Authorized Personnel:** Approved Derived Metrics must be created solely by authorized personnel within the Client's internal organization.
- b. **Data Protection:** Licensed Materials cannot be reverse engineered from Approved Derived Metrics.
- c. **Internal Use Only:** Except as expressly permitted by MSCI, Approved Derived Metrics may only be used within the internal workflows of the Client's organization and are not for external distribution.
- d. **Prohibition on Commercial Use:** Approved Derived Metrics may not serve as a basis for or component of any index, financial instrument or product.
- e. **Restrictions on Use of Approved Derived Metrics:** Use of the Approved Derived Metrics may not circumvent licenses otherwise required from MSCI, and Client may not utilize the Approved Derived Metrics in any manner that results in the commercialization of competing products or services described or identified on MSCI's public website or otherwise publicly disclosed by MSCI, nor in a manner that enables redistribution to internal teams or business units beyond those licensed for the Licensed Materials.
- f. **Ownership Acknowledgment:** Client acknowledges that MSCI retains all right, title, and interest in and to the Licensed Materials and any derivatives thereof, including Approved Derived Metrics, which are considered Licensed Materials. Any rights in the Approved Derived Metrics vest exclusively in MSCI. Clients shall not assert any ownership rights in or to the Approved Derived Metrics or the Licensed Materials.
- g. **Prohibition on Further External Distribution:** Except as expressly authorized, any external distribution of Approved Derived Metrics is not permitted. Any further external distribution of Approved Derived Metrics requires a separate agreement with MSCI, which may include additional fees.

## 5. **Authorized Public Reporting Terms**

Client is authorized to publicly report de minimis portions of the applicable Licensed Materials solely for specific reporting purposes ("Authorized Public Reporting"), under the following terms:

- a. **Permitted Purposes:** Authorized Public Reporting is limited to regulatory reporting, sustainability reporting, the creation and publication of sustainability reports, the issuance of statutorily required financial statements, and formal disclosures of sustainability practices to the media, partners, lenders, and the investment community; provided, that such reporting is for non-commercial purposes and does not include marketing or promotional use.
- b. **Scope of Reporting:** Authorized Public Reporting may include only limited, aggregated portions of the Licensed Materials, such as category-level score summaries or composite ESG metrics, rather than issuer-level details, except as expressly mandated by applicable regulatory reporting obligations. Any such disclosure relating to regulatory reporting obligations must be limited to the specific requirements of the relevant law or regulation. In all cases, Authorized Public Reporting must not incorporate the entirety or a substantial portion of the Licensed Materials.
- c. **Format Requirements:** Any publicly distributed reports containing Licensed Materials must be in a non-manipulable format (e.g., non-editable PDF) to prevent unauthorized alteration, distribution or data extraction.

- d. **Prohibition on Commercial Reporting Services:** Clients may not use the Authorized Public Reporting rights to provide reporting services to any third party, including through “white label” services.
- e. **No Substitution for MSCI Services:** Authorized Public Reporting must not serve as a substitute for MSCI’s subscription services described or identified on MSCI’s public website or otherwise publicly disclosed by MSCI, and Clients may not use it to distribute Licensed Materials beyond the authorized de minimis scope.
- f. **Attribution and Disclaimer:** Each public report that includes Licensed Materials must display the following attribution and disclaimer:
  - i. **Attribution:** “Source: MSCI.”

**Disclaimer:** Each report must contain the full disclaimer available at: <https://www.msci.com/notice-and-disclaimer-for-reporting-licenses>.

## 6. EU ESG Ratings Regulation

The MSCI Material may contain ESG Indicative Scores. ESG Indicative Scores are subject to the following terms:

for the purposes of the EU Regulation on the transparency and integrity of Environmental, Social and Governance (ESG) rating activities (Regulation (EU) 2024/3005), Client hereby acknowledges and agrees that:

- a. ESG Indicative Scores ratings are currently not solicited.
- b. This is reflected in the ESG Indicative Scores Solicited Status factor that determines whether this rating was solicited.
- c. MSCI Sustainability & Climate attempts to inform rated entities of their coverage on a best-efforts basis. Please consult the ESG Indicative Scores Informed Status factor to determine whether the issuer was informed.
- d. The rated entity did not participate in the rating process and MSCI ESG Research did not have access to the management and other relevant internal documents for the rated entity or a related third party.
- e. MSCI Sustainability & Climate provides the detailed history of rating upgrades or downgrades due to material changes to the rating methodology that occurred on or after July 1, 2025, including reasons for these changes and implications for the ratings. These material changes include changes to the methodology, models, key rating assumptions or data sources (including estimates). The information is available on the rating methodology’s consultation history page at: [https://support.msci.com/sustainability\\_climate/sustainability](https://support.msci.com/sustainability_climate/sustainability).
- f. Ratings are derived from input data and a pre-established computed model, without analytical input from an analyst. The impact of a major information would be incorporated upon the refresh of the input data or contemplated in a methodology update.
- g. With regard to the E factor, this ESG rating is neither based on nor correlated with the EU taxonomy as defined in Regulation (EU) 2020/852, nor is it aligned with other international environmental agreements.
